Purchase	Assignment of contract or finders fees reflected on the purchase contract are not eligible to be included in the sales contract price or associated		
Transactions	with the LTV calculation		
Rate / Term Refinance	 Pay off an existing first mortgage loan and any subordinate loan used to acquire the property. Pay off any subordinate loan not used in the acquisition of the subject property, provided one of the following apply: Closed-end loan, at least 12 months of seasoning has occurred. 		
	 HELOC, at least 12 months of seasoning has occurred, and total draws over the past 12 months are less than \$2,000. (For business purpose transactions, any draw over the life of the loan may not have been used for personal use. Business purpose transactions will require a draw history schedule, along with an attestation from the borrower, in the credit file, that none of the advances were used for personal/consumer use). 		
	 Buy out a co-owner pursuant to an agreement. Cash back in an amount not to exceed the lesser of 2% of the new loan amount or \$5,000 can be included in the transaction. If the subject property was acquired greater than six (6) months from application date, the appraised value will be used to determine LTV/CLTV. If the property was acquired less than or equal to six (6) months from the application date, the lesser of the current appraisal value or previous purchase price plus documented improvements (if any) will be used to determine LTV/CLTV. The purchase settlement statement and any invoices for materials/labor will be required. Refinance of a previous loan that provided cash out, as measured from the previous note date to the application date, and is seasoned less than 12 months, will be considered a cash out refinance. 		
Cash Out Refinances	Cash-out eligible to satisfy the reserve requirements. Cash-out eligible for cash-out: Primary Residence or Second Home properties listed for sale in the past six (6) months. Investment properties listed for sale in the past six (6) months, unless a three (3) year prepay penalty, There has been a prior cash-out transaction within the past six (6) months A minimum borrower seasoning requirement of six (6) months is required for a transaction to be eligible for cash-out. For properties owned 12 months or longer, the LTV/CLV is based upon the appraised value. If the cash-out seasoning is less than 12 months, but greater than 6 months, the transaction property value is limited to the lower of the current appraised value or the property's purchase price plus documented improvements. Cash-out seasoning of six (6) months or less is allowed with the following restriction: The Seller has documented that the borrower acquired the property through an inheritance, or was legally awarded the property through divorce, separation, or dissolution of a domestic partnership.		
Delayed Financing	 Delayed purchase financing is eligible when a property was purchased by a borrower for cash within 180 days of the loan application. The original purchase transaction was an arms-length transaction. The source of funds for the purchase transaction are documented (such as bank statements, personal loan documents, or a HELOC on another property). Can Not be from gifts. The maximum LTV/CLTV ratio for the transaction is based upon the lower of the current appraised value or the property's purchase price plus documented improvements. The preliminary title search or report must confirm that there are no existing liens on the subject property The transaction is considered cash-out; cash-out pricing adjustors apply The new loan amount can be no more than the actual documented amount of the borrower's initial investment subject to the maximum LTV/CLTV for cash-out transactions. 		
Eligible Non Arms Length transactions	Renter(s) purchasing from landlord. 24 months of cancelled checks to prove timely payments are required. Purchase between family members – Not Allowed Purchase between family members. Not Eligible Allowed only on MVP Full Documentation program.
